

NOTICE OF VERIFICATION AND CERTIFICATION

AUGUST 21, 2013

**MANOLITA GADALETA
SILVERTON PACKAGING CORP
1329 SILVERTON RD
TOMS RIVER, NJ 08755**

CHS Verification Order Number: 13040122

Congratulations, the Supplier Clearinghouse is pleased to inform you that in accordance with **General Order 156**, your business enterprise has successfully completed the verification process, and your company has received the following certification: **WMBE**

Your company will now be recognized by the Joint Utilities as a **women and/or minority-owned business** when competing for procurements by public utilities participating in the Utility Supplier Diversity Program.

Your Certification is valid for **three years** and you are required to re-verify your company's **WMBE** status at least **30 days** prior to your expiration date. Please notify our office of any change in your address or contact information so that we can maintain your most current contact information. You must notify our office of any change in ownership and/or control of your company within **30 days** of the change. Failure to provide that notification is in violation of section **8285** of the Public Utilities Code and could render your certification status invalid.

If your company was verified and certified under the **CAV** (Comparable Agency Verification) process, your certificate status will expire on the same expiration date as that of the comparable agency except for **SBA 8a Certificates** that are valid for a **nine year** period. However, please note that the maximum verified certification period for the Supplier Clearinghouse is **three years** regardless of **any CAV** expiration date in excess of **three years**.

The Supplier Clearinghouse may request additional information or conduct an on-site visit at any time during the term of your verified certification status. The Supplier Clearinghouse may reconsider your certification status and possibly rule invalid your verified status if it is determined that the status was knowingly obtained by false, misleading and/or incorrect information. Also note that if in a formal opinion, the California Public Utilities Commission determines that the **WMBE** verification criteria under which you were deemed eligible is no longer valid, then your status may change or you may be required to comply with the change to maintain eligibility.

Thank you for participating in the Utility Supplier Diversity program. We wish you much success in your business endeavors. Feel free to contact our office if you have questions, or visit our website at:
